

Dear Friend of the Fair,

The Southern California Fair invites you and/or your business to help us continue a great tradition by becoming a 2022 Exhibits Best of Show Award Sponsor. The Fair awards all youth and open exhibitors ribbons for their awe inspiring entries in our fair. Your generous sponsorship will be applied directly and solely toward these meaningful awards.

For generations the Fair has been the place for the young of years and the young at heart to showcase their animals, craft projects, hobbies, fine arts and much more. The still exhibits are the heart of the Fair. The competitions generate opportunities for recognition while having fun and creating lifelong memories. Participants enjoy this rewarding experience year after year. We encourage you, your family or business to start your own tradition by becoming a part of the Fair through exhibiting and/or providing financial support.

The Fair depends heavily on partners like you and local businesses to keep these outstanding programs alive through your financial contributions. When considering your level of support, please keep in mind the ever increasing expense of doing business in this challenging economy. Your support is greatly appreciated by exhibitors, staff and Fair attendees! Can we count on your contribution of \$100 or greater?

Sincerely, Sherrie Henretta
